During Term 1 there will be some classroom release time given to particular teachers who will complete some of the roles Adam was responsible for this year.

Did you know you can save 50% or more with government rebates?

Almost all Australian residents are eligible for some form of government rebate.

The Child Care Rebate (CCR):

- Is not income tested
- Is available to almost all Australian families
- Provides a rebate of 50% of fees owing after the CCB has been calculated and considered.

The Child Care Benefit (CCB):

- Is income tested and scaled, resulting in a reduction of between 0% and 85% of session fees.

How to link rebates directly to your account

So that the CCB and CCR can be automatically applied to your Camp Australia account, you will need to provide your Centrelink Customer Reference Number/s (CRN/s) during the registration process.
