Principal's Pen

I would sincerely like to thank all the parents who completed the parent education (PE) and student family occupation (SFO) proforma that went out with the student reports at the end of last term. This information is very important to our school because the funding that we rely on for our school to pay for staffing, special programs and school resources is based on this data. We are required to update this information every couple of years as part of the August census for schools. Information needs to be as accurate as possible to ensure that we receive the right funding for our students.

Planning for 2017

Tomorrow is school census day. This means that schools are required to let the Education Department know numbers of students who will be attending Narre Warren North PS in 2017. If you know that you will be leaving at the end of this year and haven't already informed us can you please let the office know. Also if you know of friends or neighbours who intend to enrol their children at our school, can you please encourage them to enrol? Enrolment forms are available at the office or on our website.

Young ICT Explorers Competition

Congratulations to the following students who have made it to the finals for the Young ICT Explorers Competition.

Jessica B, Abbey M and Zoe P have created a website to raise awareness about children in third world countries; and Aaron E and Malachi C have produced a pivot animation about history.

The finals are being held on Saturday at Deakin University Burwood. Projects will be assessed by judges from industry and academia where each team will have 10 minutes to showcase and sell their project. During the presentation ceremony, the top three projects in each age category will be announced and first place trophies presented. We wish these students all the best on Saturday. We thank Mrs Darbyshire for organising this exciting activity and entering our students in this competition.

Principal

School logo

Attached to the newsletter are two options for our new school logo. This logo design was inspired by the idea submitted by the Thomas family (Brody 56B) late last year.

Inspiration for logo:

- ❖ Nestled among the gently rolling hills of Narre Warren North stands a grand tree, striking in its simplicity and free form beauty.
- ❖ With arms outstretched, the young child stands before this beautiful tree of life, intelligently contemplating and marvelling at its grandeur, form and majesty.

Symbolism –

- ❖ The torso and outstretched arms of the young child obscure the trunk and lower branches of the tree, creating the effect that they are ‘as one’, a part of the same whole, they belong together.
- ❖ The circle represents new horizons, new opportunities, optimism and hope.
- ❖ The leaves/fruit of the tree vary in size – representing growth and progression as well as the collective of the school community.
- ❖ Through the use of the natural landscape, this logo communicates growth, belonging, opportunity, community, progression, inclusion, intelligence and aspiration.

We would love parents to vote on which logo you prefer from the two given options using the following link. The logo on the navy background will go on school uniforms. The reverse logo will be used on our school’s stationery.

Thank you to the School Council Logo Subcommittee for your work in organising this logo for our school and the Thomas family for your wonderful idea!!

The design options and the link to vote are on the next page. Please vote by Friday 12th August.

Uniform

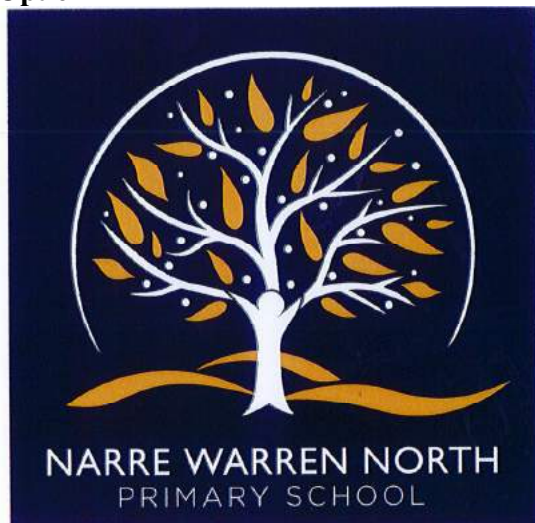

Beleza is still selling our uniform with our current logo until the change is made. Next year, and in future years as the children go up the school, both the new logo (once it is ready) and the old logo on uniforms will be acceptable. Over time the old logo will be phased out. Preps in 2018 will be expected to wear our uniform with the new logo.

New School logo – which one do you prefer?

- ❖ The originals can be viewed at the office.
- ❖ The logo on the navy background will go on school uniforms. The reverse logo on the white background will be used on our school's stationery.

HOUSE ATHLETICS

On the 19th of July, Years 3 to 6 participated in our House Athletics. Everyone who participated in an event got a number of points for their house, and the lowest number of points was the best score to get. If you came 1st you got one point, if you came 2nd you got two points, 3rd was three points and 4th four points. If you did not place you got five points. The events that were run on the day were: the 100 metre, 200 metre, hurdles, triple jump, high jump, long jump, discus, shot put and the last event that was optional was the 800 metre. The overall winners were Robinson in 1st, Rae in 2nd, Kerr in 3rd and Troup in 4th. It was a great day for everyone!

Grade 5/6 designs for a bid for the 2028 Olympics.

Rachel C and Laylah B designed this emblem based on the Olympics held in New Delhi, 2028. The arch inside the square represents a building in New Delhi. The hand represents the people in India. There are Olympic rings inside the arched building, as well as the Olympic ring colours patterned in the background. Our motto that we have chosen is 'We can do it as one.' Laylah and I have enjoyed this activity.

By Rachel C

In our emblem we have chosen the temple to represent all the religious people that go and pray in the temples. We also chose the big red dot to represent the Japanese flag. The torches represent not that much but can be useful. The scroll represents Kung fu in Japan and all other religious things. We chose the motto 'Stand High Above' so everyone can try their best and reach their goal.

By Filip M and Jayse C

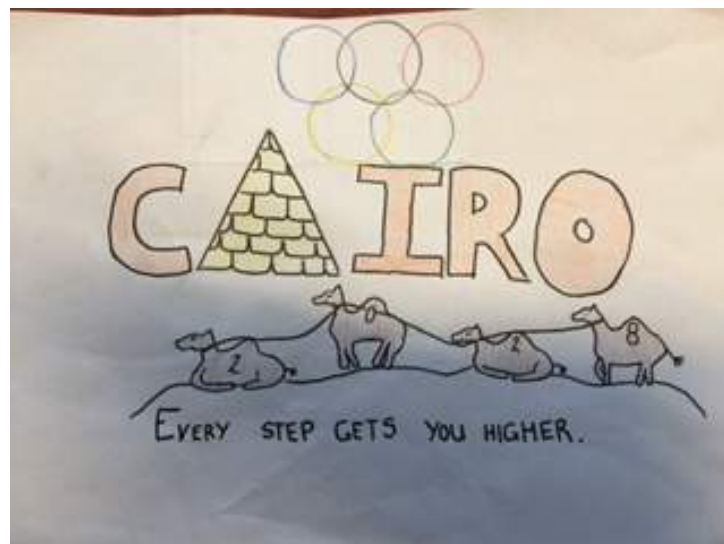

The sun represents a starting to a new hard working day at the Olympics. The birds represent teamwork and friendship. The boat represents persistence as it never stops until it lands on the shore.

By Dante and Noah

Emma Z and Caitlin F designed this emblem for our bid for the 2028 Olympics held in Cairo. We thought that a unique thing about Cairo is that it is the only city in the world with pyramids. Camels are their native animal and they represent Cairo in many ways. Camels are a vision that people think of when they hear the word Cairo.

Just like the athletes in the Rio Olympics and Paralympics, the children at Narre Warren North Primary School are going to be practising and developing their skills in *perseverance* this term.

Perseverance is the quality of being determined to achieve something and it means never giving up, even when things seem hard.

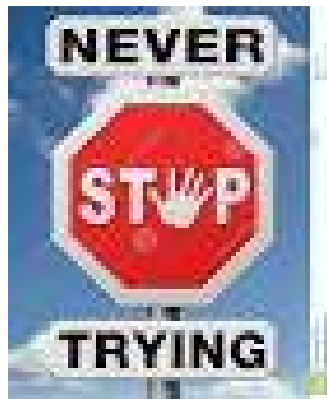

It means learning from our mistakes and keeping positive.

We need to practise *perseverance* when we are learning new things and change the way we talk when things get challenging.

Instead of saying "I don't get it"you could say "*I don't get it YET.*"

Instead of saying "I can't do it"say "*I can't do it YET.*"
