2016 Annual Implementation Plan: for Improving Student Outcomes

1901
To focus effort where it is most needed, four priorities have been identified for the entire Victorian government school system. The four priorities are:

- Excellence in teaching and learning
- Professional leadership
- Positive climate for learning
- Community engagement in learning.

Six evidence-based initiatives assist schools to identify and utilise the most effective, relevant and evidence-based strategies that when implemented with consistency and depth help drive improved student outcomes. The initiatives are associated with the four state-wide priorities, in the following way (please refer to the Framework for Improving Student Outcomes: Guidelines for schools):

<table>
<thead>
<tr>
<th>Priority</th>
<th>Initiatives</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Excellence in teaching and learning</strong></td>
<td><strong>Building practice excellence:</strong> Teachers, principals and schools will work together <strong>Curriculum planning and assessment:</strong> School will embed a culture of curriculum planning, and assess the impact of learning programs, adjusting them to suit individual student needs</td>
</tr>
<tr>
<td><strong>Professional leadership</strong></td>
<td><strong>Building leadership teams:</strong> Schools will strengthen their succession planning, develop the capabilities of their leadership teams in using evidence</td>
</tr>
<tr>
<td><strong>Positive climate for learning</strong></td>
<td><strong>Empowering students and building school pride:</strong> Schools will develop approaches that give students a greater say <strong>Setting expectations and promoting inclusion:</strong> Schools will work across their communities to implement support to health, wellbeing, inclusion and engagement of all students</td>
</tr>
<tr>
<td><strong>Community engagement in learning</strong></td>
<td><strong>Building communities:</strong> Schools will strengthen their capacity to build relationships with the broader community by partnering</td>
</tr>
</tbody>
</table>

To guide the development of the 2016 Annual Implementation Plan: for Improving Student Outcomes (AIP) schools will work with support from Senior Education Improvement Leaders (SEIL) to conduct an annual evaluation of student outcomes data against the targets set in their School Strategic Plan. Schools then diagnose the issues requiring particular attention and select one or more initiative.

Principal and teacher performance and development plans include explicit links with the AIP and the School Strategic Plan. This ensures a line of sight from school improvement priorities and initiatives to each individual’s plan. The Guidelines provide further context and detailed information to support this work.
Summary page: the school’s priorities and initiatives

Tick the initiative/s that the school will address in its Annual Implementation Plan: for Improving Student Outcomes.

Initiatives Rationale:

Explain why the school, in consultation with the SEIL, has selected this initiative/s. Please make reference to the evaluation of school data, the progress against SSP targets, and the diagnosis of issues requiring particular attention.

In 2015 our school began **building practice excellence** through the implementation of Team Reading Action Research as part of the SSP. In 2016 the school’s priority is to implement a whole school consistent Reading Program based on best practice through the exchange of knowledge and ideas learned through the research. To develop this priority we aim to strengthen and build consistency and quality of teaching practice across the school in order to decrease school variation and improve outcomes in Reading; build a culture of collaboration within teams and across the school with the collective sharing of skills and expertise through daily work; develop the use of consistent student assessment data to inform teaching for differentiation; and increase the use of feedback, such as peer observations and walkthroughs, to further enhance teaching practice. School data has shown a small increase in the number of students recording ‘high growth’ in NAPLAN Reading, however, through the implementation of an agreed framework in Reading, development of a collaborative approach to professional learning, and shared teaching and learning program development and feedback, student and school outcomes will improve.

A priority in the SSP is to build teacher capacity towards effectively implementing 21st century pedagogy and personalizing student learning. Students at Narre Warren North PS are often compliant but are not always engaged in their learning. In 2015 teachers investigated the definition of 21st century learning and began to implement strategies such as rubrics and giving students some choice in their learning. **Empowering students and building school pride** is a major focus area for 2016. In this area the school intends to investigate through action research, approaches that give students a greater say in the decisions that affect their learning and their lives at school, such as giving students a voice in the learning process through negotiation and collaborative decision making; and increasing the use of peer / self assessment; and student reflection and feedback in order to increase students’ responsibility for their own learning and engaging them more deeply in their learning.

Key Improvement Strategies (KIS)

List the KIS that are linked to this initiative/s and will be scaled up. This could include existing KIS from your SSP or new ones identified through the evaluation of student outcomes against SSP targets and the diagnosis of issues requiring particular attention. KIS may be specific to one outcome area or applicable across several areas.

<table>
<thead>
<tr>
<th>Initiative</th>
<th>KIS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Building practice excellence</td>
<td>Implement an agreed framework for effective teaching and learning in Reading at Narre Warren North Primary School based on a theory of practice. Ensure a whole school approach to the collection and analysis of data to inform teaching and learning. Build teacher capacity to use data to inform planning.</td>
</tr>
<tr>
<td>Empowering students and building school pride</td>
<td>Build teacher capacity towards effectively implementing 21st century pedagogy. Develop the capacity of teachers to communicate clear learning intentions against agreed success criteria. Build teacher capacity in personalising student learning Investigate and implement models that incorporate the use of ICT for 21st century learning. Investigate opportunities to build communication with parents about student learning.</td>
</tr>
</tbody>
</table>
## ACHIEVEMENT

### Goals

Improve student rates of learning growth in English with a focus on Reading (2015-16) and Writing (2017-18).

### Targets

An increase in the number of students recording ‘high growth’ in NAPLAN Reading and Writing. 80% of students meet or exceed a year’s growth each year in AusVELS in Reading and Writing.

An increase in the number of students recording ‘high growth’ in NAPLAN Reading compared with 2015. Meet or exceed a year’s growth measured using AusVELS for at least 80% of students in Reading.

### KIS

#### ACTIONS:

- Develop an agreed framework for effective teaching and learning in Reading based on a theory of practice.
- Implement non-negotiables around implementation of best practice in Reading.
- Develop implementation schedule to ensure consistency of program implementation.
- Link The Big 6 to Cafe.
- Use Cars and Stars strategies.
- Ongoing Professional learning to implement Cafe.
- Implementation of CAFE and the Daily 5 across the school in line with the Victorian Curriculum.
- Investigate Jolly Phonics program for Grade Prep.
- Purchase resources to enhance the school’s adopted Reading approach.
- Implementation of Words Their Way from Grade 1 to Grade 6.
- Implementation of parent advocates to support the school’s reading Program and assistance of individual students.
- Review and update the current assessment schedule for Reading to include multiple sources of assessment data.
- Develop consistent use of data across the whole school to support high growth.

#### HOW the school will do it

- Develop non-negotiables around implementation of best practice in Reading.
- Ongoing Professional learning for teachers, including a Curriculum Day.
- Program budget to support priority.
- Training for parents to assist in CAFE/Daily 5.
- Ongoing Professional learning including Disciplined Dialogues.

#### WHO has responsibility

- Leadership Team
- Professional Learning Coordinator
- Classroom teachers
- Leadership
- Achievement Coordinator
- PLT
- Achievement
- Coordinator
- Teachers
- Principal
- Achievement Coordinator
- Teachers
- Team meeting minutes making reference to the use of Reading data to inform teaching and student learning.

#### WHEN timeframe for completion

- End of Term 4, 2016
- Begin Term 2 for implementation by end of Term 4, 2016
- Term 1
- Term 1, 2016
- End of Term 1, 2016
- Ongoing until August
- Ongoing

#### SUCCESS CRITERIA:

Markers of success reflecting observable changes in practice, behaviour, and measures of progress:

- Consistent language across the school
- Consistent displays in all classrooms
- Consistency in planning
- Ongoing assessment to identify point of learning (Fountas and Pinnell)
- Explicit teaching of reading strategies in all classrooms
- Planning documentation is aligned and reflects differentiation
| Learning | Team meetings to focus on use of data  
Use Sentral to analyse students data  
Regular reading moderation sessions  
Data used to differentiate the teaching of reading  
Teachers share data with students | Leadership | Classroom teachers | Planning documentation shows evidence of differentiation  
Teachers lead professional discussions about the use of data to support individual student growth (team meetings, PDP meetings, one-one discussions with leadership) |
### Annual Implementation Plan: for Improving Student Outcomes

**ENGAGEMENT**

**Goals**

Increase student capacity as 21st century learners to be more involved and engaged in their learning.

**Targets**

- Student satisfaction as measured by the variables of ‘Student Motivation’, ‘Stimulating Learning’ and ‘Learning Confidence’ to demonstrate annual improvement in the Student Attitudes to School survey (SATS).
- School based parent and student survey demonstrates annual improvement.
- Parent satisfaction as measured by the variables of ‘Stimulating Learning’ and ‘Learning Focus’ to demonstrate annual improvement in the Parent Opinion Survey.

**12 month targets**

- Student satisfaction as measured by the variables of ‘Student Motivation’, ‘Stimulating Learning’ and ‘Learning Confidence’ to demonstrate improvement in the Student Attitudes to School survey (SATS).
- Parent satisfaction as measured by the variables of ‘Stimulating Learning’ and ‘Learning Focus’ to demonstrate improvement in the Parent Opinion Survey.

### KIS

<th>SUCCESS CRITERIA: Markers of success reflecting observable changes in practice, behaviour, and measures of progress</th>
</tr>
</thead>
</table>
| Build teacher capacity towards effectively implementing 21st century pedagogy. | Develop a shared understanding of 21st century pedagogy and what it looks like at the classroom level and whole school level. | Team Action Research to focus on 21st century Learning Design. Out of the Action Research, teams will identify one of these areas to investigate:  
- Collaboration  
- Knowledge Construction  
- Self-Regulation,  
- Real World Innovation and Problem Solving  
- ICT for Learning  
- Skilful Communication | Leadership Team Engagement Coordinator and PLT Professional learning Coordinator Teachers | End of Term 4, 2016 | Teachers trailing areas of 21st century Learning Design:  
- Evident in planning  
- Discussions in team meetings (minutes)  
- Content of learning intentions to show evidence of 21st century learning design  
- Presentation of findings in November  
- Use of DET assessment tools if available |
| Develop the capacity of teachers to communicate clear learning intentions against an agreed success criteria. | Linking learning intentions to success criteria. | I Can statements in Number.  
Linking learning intentions to rubrics. | Mathematics Coordinator Engagement Coordinator | End of Term 4, 2016 | Use of I can statements in the classroom:  
- Consistent language  
- Evident in planning  
- Visual use of I can statements by students  
Clear learning intentions and success criteria are communicated to students for each lesson. |
| Teachers develop understanding of Good Learner behaviours | Ongoing professional learning in Good Learner behaviours | Leadership Team Classroom teachers | Ongoing | Learning Intentions link to Good Learner behaviours  
Teacher use of language evident during Leadership Walkthroughs |
| Build teacher capacity in personalising student learning. | Increase opportunities to offer choice in all areas of the curriculum. | Professional learning to increase awareness of the 21st Century Learning design. Provision of choice in the curriculum | Leadership team Engagement Coordinator Teams | Ongoing | Students engaged in learning  
Choice evident in planning  
Classroom environment conducive to 21st Century learning |
| Investigate and implement models that incorporate the use of ICT for 21st century learning. | Implement and extend collaborative models that incorporate the use of ICT. Explore digital coding. | Implement a 1-1 chrome book program for Grades 3 -6. Continue to investigate ways to use the chromebooks as a learning tool. Implement Cybersafety program from Prep – 6. Regular sharing of student work and classroom programs and events with home through team blogs. | Leadership Team Engagement Coordinator Teams ICT Team | Ongoing | Extended use of ICT evident in planning documents and classroom programs to cater for choice in student learning. ICT related to the Victorian Curriculum. Regular sharing of student work with home to increase feedback and parent awareness. |
| Investigate opportunities to build communication with parents about student learning. | Increase communication with parents via teachers’ edumail account. Increase parent awareness to forms of communication. | Develop protocols with staff in the use of edumail for communication with parents, e.g response time 72 hours within working hours. Teachers continue to contact every family once per term about a positive. Development of team blogs. | Leadership team Teachers | Ongoing | Staff enacting school wide communication processes. School communication occurs with the school community through various modes. |
## WELLBEING

### Goals

Develop a whole school consistent approach to students’ social and emotional learning.

### Targets

Student satisfaction as measured by the variables of ‘School Connectedness’, and ‘Student Morale’ to demonstrate annual improvement in the Student Attitudes to School survey (SATS)

Parent satisfaction as measured by the variables of ‘School Connectedness’ and ‘Classroom Behaviour’ to demonstrate annual improvement in the Parent Opinion Survey.

School based student and parent survey demonstrates annual improvement.

### 12 month targets

Student satisfaction as measured by the variables of ‘School Connectedness’, and ‘Student Morale’ to demonstrate improvement in the Student Attitudes to School survey (SATS) compared to 2015.

Parent satisfaction as measured by the variables of ‘School Connectedness’ and ‘Classroom Behaviour’ to demonstrate improvement in the Parent Opinion Survey compared to 2015.

## PRODUCTIVITY

### Goals
Allocate resources effectively to maximise student learning outcomes; increase student engagement in their learning; and develop a whole school consistent approach to student wellbeing.

### Targets
Prep – 6 student achievement data demonstrates growth each year.
The annual confirmed global budget shows that funding is allocated to the priority areas of the School Strategic Plan.
Sentral has been implemented to track student achievement, engagement and wellbeing.
Parent satisfaction as measured by the variables of ‘General Satisfaction’ to demonstrate annual improvement in the Parent Opinion Survey.
