## Final Session/Morning Tea

For the last session (1 hour) the children will be with their 2020 class. During this time you are invited to stay for morning tea. The children and Prep teachers will join you at 10.15am. Staff will be happy to answer any questions you have about our school's programs.

At Narre Warren North Primary School it is important to us that all children feel happy and secure. Our school aims for all children to reach their full potential in a supportive learning community where students are motivated and challenged to become independent and successful learners.

To help achieve this we are providing a Pathway to Prep Program for enrolled 2020 Prep students. The aim of this program is to provide your child with a smooth, enjoyable and secure start into school.

Parents are welcome to settle their child at the beginning of the session to ensure they feel confident within the classroom. We highly recommend that children are given the opportunity to bond with their peers and teachers to develop lasting relationships. The students will be involved in a variety of exciting school activities where they can begin to participate in 'school life' and feel part of the school community.

*Engaging students in their learning for the future*

## Prep Buddy Program

Prep students will have a Grade 6 Buddy. The role of our buddies is to guide Prep students, particularly in their first 2 weeks of school to ensure they feel safe and secure in the classroom and the playground. They will continue to engage in experiences together and will develop a strong relationship with their buddy that will last throughout the year.
