Leaving

If you believe that you are moving schools during the year or at the end of 2019 (except for Gr 6 students) can you please let us know as soon as possible. This will assist us in determining our enrolments for 2020.

School Cross Country

Last week we had our school Cross Country for Grades 3 to 6. Here are some photos:

The Prep to Grade 2 Cross Country will be rescheduled. We will let you know when that is once it has been organised.

Education Week

Our focus for Education Week next week is 'Celebrating Student Success'. A flyer was emailed out to parents last week.

Open Night will be on **Wednesday May 22nd 6.30pm to 8.00pm** and the Book Fair will be open for Grandparent morning and on Open Night. Student work will be showcased during the evening in classrooms.

Reporting to Parents

As mentioned earlier this year in the newsletter we will not be having organised parent teacher interviews in June this year. Parents are encouraged to organise meetings with the teacher/s at any time during the year when you have a concern or want to know how your child/ren is going. Similarly teachers will contact parents to organise a meeting whenever they have a concern about a child's learning or wellbeing. If you would like to arrange an interview with your child's teacher or a Specialist please email the teacher directly.

When you receive the school report in the last week of term you will notice that the report format has changed. Parent feedback last year indicated that the section on 'Reflection on Learning' was too cumbersome so this has changed to make it easier to understand. We will be asking for feedback on the new format at the beginning of Term 3. This will be via the newsletter.

Mothers' Day stall

Thank you to the Parents' and Friends' Club for once again organising the Mother's Day stall for our students. I hope all our mums and grandmothers had a Happy Mothers' Day last Sunday ☺

Premiers' Reading Challenge

The purpose of the Challenge is to **promote a love of reading**. The aim is for Prep to Grade 2 children to read 30 books, 20 of these need to be from the Challenge list, and Grade 3 -6 students to read 15 books of which 10 must be from the Challenge list. At the conclusion of the Challenge students will receive a signed certificate from the Premier. [Congratulations to the 16 children who have already completed the Challenge – a wonderful achievement!!!](#)

For 3 years in a row we have had 100% of our students complete the Challenge. Can we do this again??

Life Education Program

Over the past two weeks each grade has participated in the Life Education Program. This is a health and well-being program which aligns with our Social and Emotional Skills Program and Inquiry that we teach. Each year level completed a different program relating to different areas of health and wellbeing including friendship, safety, healthy body and cyber safety.

Grade Prep Mothers' Day Celebrations

On Friday 10th May, we celebrated Mothers' Day by spoiling our Mothers with a pampering session. We decorated cookies, painted their nails, read books, coloured in pictures and gave massages. We had a wonderful time showing our Mothers' how much we love them. Please enjoy some pictures of our morning.
