

Equal Opportunity Policy and Anti-Discrimination Policy

RATIONALE

Narre Warren North Primary School is committed to child safety and establishing and maintaining child safe and child friendly environments where all children are valued and feel safe. We have zero tolerance of child abuse, and all allegations and safety concerns will be treated very seriously and consistently through our policies and procedures.

We support and respect all children, as well as our staff and volunteers.

The Victorian Equal Opportunity Act (1995) makes it unlawful to discriminate against a person on the basis of the following attributes: - age, disability, industrial activity, lawful sexual activity, sexual orientation, gender identity, marital, parental or carer status, physical features, political beliefs or activity, pregnancy, race, religious belief or activity, sex, personal association (with a person who is identified by reference to any of the above attributes) or breastfeeding.

Furthermore, the Act prohibits direct and indirect discrimination, makes it unlawful to sexually harass a person at the institution (includes students), promotes equality of opportunity between persons of different sex, age, marital status, race and other specified attributes, and provides redress for those who have been subject to discrimination
