November 5th, 2021

Dear Parent/Guardian,

Narre Warren North Primary School is looking forward to another great year of teaching and learning and would like to advise you of the voluntary financial contributions schedule for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school, your support in 2021 allowed us to:

- Offer a wide range of subjects and special curriculum experiences for our students across all year levels
- Upgrade and purchase of additional IT devices for student use
- Refurbishment of school grounds, and maintenance of playground equipment
- Online applications, with Students individual logins
- Online communication and payment portals, with parent/guardian/family individual logins
- Comprehensive Sick Bay and First Aid supplies, including De-fib facilities

Please find below Narre Warren North Primary School's voluntary financial contributions schedule for 2022, which includes an overview of what your contributions will contribute towards.

Department of Education guidelines now mandate that schools are UNABLE to provide parents with a statement of fees. With this in mind parents are asked to please review the recommended voluntary financial contributions schedule below for an indication of recommended contributions for your child/ren.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Connie vanderVoort
Principal

School Council President
