

Visitors in Schools Policy

PURPOSE

To provide a safe and secure learning and teaching environment for students and staff by establishing processes to monitor and manage visitors to Narre Warren North Primary School.

SCOPE

This policy outlines our school's arrangements for visitors who attend school grounds when the school is open for instruction between the hours of 8.00am to 4.00pm including parents, contractors and external medical practitioners. Outside of these times, our front office is not staffed and the only visitors who are permitted on school grounds are parents/carers or their delegates who are dropping off or picking up students from Outside School Hours Care, school events such as parent teacher interviews, concerts, sport or other school activities, and community and other groups who have entered into contracts or agreements with the school to use school premises outside of school hours.

DEFINITIONS

Child-related work: As defined by the *Worker Screening Act 2020* (Vic), child-related work is work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional direct contact with children that is incidental to the work.

POLICY

We also strive to foster strong partnerships with local community services, schools and other organisations.

Narre Warren North Primary School is not a public place. The principal has the authority to permit or deny entry to school grounds, and encourages all visitors to familiarise themselves with our school's *Statement of Values, Child Safe Policy, Statement of Commitment to Child Safety, Child Safe Code of Conduct*.

Working with Children Clearance and other suitability Clearances

For Working with Children (WWC) Clearance and other suitability Clearance requirements relating to parents/carers and other volunteers working with students please see our Volunteers Policy.

All visitors who are engaged in **child-related work** (see definition above) must have a valid WWC Clearance. Additional suitability Clearances may also be required such as reference, proof of identity, qualification and work history involving children Clearances.

In some circumstances, visitors to Narre Warren North Primary School who are **not** engaged in child-related work will also be required to produce a valid WWC Clearance depending on the particular circumstances of their visit. For example, Narre Warren North Primary School will require a valid WWC Clearance for:

- **visitors who will be working regularly with children** during the time they are visiting, even though direct contact with children is not a central part of their normal duties
- **visitors (e.g. contractors)**, who will regularly be performing unsupervised work at the school during school hours or any other time where children are present. Further background Clearances, including references, may also be requested at the discretion of the principal.

Visitors who will be working in areas away from students (e.g. a visiting auditor who will be located in the front office with administration staff) or who will be supervised and accompanied by a staff member during their visit (e.g. a Member of Parliament, a journalist, a prospective parent on a school tour) will not be required to have a WWC Clearance.

Sworn Victoria Police officers or sworn Australian Federal Police officers are exempt from requiring a WWC Clearance, but may be asked to verify that they are sworn officers by providing proof of identification.

Invited speakers and presenters

On occasion, Narre Warren North Primary School may invite external speakers or providers to deliver incursions, presentations, workshops and special programs for our students. Consistent with Department of Education and Training requirements, Narre Warren North Primary School will:

- ensure that the content of presentations and programs by external providers contributes to the educational development of our students and is consistent with curriculum objectives
- ensure that any proposed visit, programs or content delivered by visitors complies with the requirement that education in Victorian government schools is secular and is consistent with the values of public education, Department policies and the *Education and Training Reform Act 2006* (Vic). In particular, programs delivered by visitors are to be delivered in a manner that supports and promotes the principles and practice of Australian democracy including a commitment to:
 - elected government
 - the rule of law
 - equal rights for all before the law
 - freedom of religion, speech and association
 - the values of openness and tolerance
 - respect for the range of views held by students and their families.

Parent visitors

We understand that there may occasionally be a reason why a parent or carer may want to speak to or see their child at school, during school hours.

If there is a particular pressing or unavoidable issue that cannot wait until the end of the school day, we ask that parents or carers call the school office to make the request to speak to or see their child during school hours.

We also ask that parents avoid arranging to visit their children at school wherever possible, as this can cause inappropriate disruptions to the school day.

All parents or carers who visit our school during school hours, other than for the purposes of school pick ups and drop offs or for specific school events (e.g. parent teacher interviews, concerts, assemblies etc), are required to sign in as a visitor at the school office.

Parents or carers who are prohibited from entering the school under a court order or direction of the Principal are not permitted to visit the school. Our school maintains and provides office staff with a list of restricted parents/carers which may include identifying photographs and any other information as required depending on the level of risk posed.

Other visitors

All business operators, tradespeople and other visitors attending the school to conduct work must report to the school office upon arrival for instruction and follow the sign in procedure outlined above. Maintenance contractors will be required to present identification and complete necessary paper work in relation to the work at the school.

Visitors and volunteers are also expected:

- to be outstanding role models for all students
- to work under the professional direction of staff, following school policies
- to speak in a respectful and friendly manner to all students and staff
- to maintain confidentiality
- to report any issues of concern to teachers (and not directly intervene)
- to keep a safe and professional distance from all students

The school's Emergency Management procedures will ensure that visitors within the school at the time of any emergency or practice drill will be recognised and be appropriately catered for. The school will ensure that emergency exits and emergency management plans and procedures are available/visible to visitors.

The Principal has operational responsibility in relation to the visitors who are allowed into schools, for what purpose and on what conditions. If in doubt, the Principal should consult with the Regional Office and seek advice from the Legal Services Branch.

The school generally supports the practice of facilitating contact with students by approved organisations or individuals – including children's choirs, orchestras and drama groups and sporting associations.

This policy will be communicated to our school community in the following ways:

- Available publicly on our school's website
